The background of the poster features a collage of various animals and landscapes. At the top right, a seal or sea lion is resting on a rock. In the upper left, a dolphin is leaping out of the water. A large bald eagle is prominently featured in the center-right, with its wings spread wide and talons extended downwards towards a dark, craggy mountain peak. In the bottom left corner, a panda bear is sitting on a rock. The overall composition is a mix of marine life and terrestrial scenes.
